# POFIT

WORLD ERGONOMIC SEATING

# POFIT **WORLD CLASS** ERGONOMIC **CHAIR**

- World 1st High Tech Chair with Smart APP
- Dynamic Bionic Spine Pressure Relief Design
- Omni-directional & Double-wing Support Chips Design for Back Muscles
- LIVEMOTION Lumbar Auto-tracking System
- Intelligent Seat Cushion
- Matt Black Frame

# POFIT ADVANCED ENGINEERING

Pofit is the world first chair which can interact with users through Smart APP connected by Bluetooth. And POFIT adapts ultimate bionic spine design and 20pcs support chips design for back muscle groups to redefine original ergonomic chair

Pofit applies technology to design bionic spine to bring you more than 300% protection to your whole spine. Bionic spine is the best solution for back & lumbar pain on current office chairs design field. Pofit achieved successfully whole-line support to human spine rather than individual point support. Pofit's dynamic bionic spine pressure relief design, omni-directional & double-wing support chips to back muscles and LIVEMOTION lumbar auto-tracking design, all provide perfect and comfortable support to users' whole back, including whole spine and back muscle groups

## ERGONOMOMIC Meet Bionic

### NEXT GENERATION OF ERGONOMIC SUPPORT

- Dynamic Bionic Spine Pressure Relief Design
- Omni-directional & Double-wing Support Chips Design
- LIVEMOTION Lumbar Auto-Tracking Design
- 5D Headrest
- Weight Activated Mechanism With Dual Modes Back Tilt Tension Interchange
- Front Seat Depth Adjustment
- Back Recline with Multi-positional locks

# POFIT MORE THAN 300% WHOLE-LINE SUPPORT TO SPINE

POFIT Bionic Spine provides more than 300% whole-line support to human spine through providing full support to 3 joints thoracic spine, 5 joints lumbar spine and 1 joint sacrum spine, not only individual point support. This whole-line support can reduce the back pain for long working hours

# POFIT SEATING INNOVATION

SOFT SUPPORT TO YOUR SPINE

Auto flexible pressure relief support design

## 5D HEADREST

5D (Double height, tilt, angle and comfort flex) adjustable headrest can suit much more users of different height range(150-190cm) and various head types

## OPEN SHOULDER DESIGN

Pofit is designed with an open shoulder section to ensure that the mesh upholstery can provide the correct amount of resistance to the upper back without any hard pressure points causing discomfort

## DYNAMIC BIONIC SPINE & ADJUSTMENT

Bionic spine is the best solution for back pain. Pofit bionic spine provides more 300% whole-line support to human spine through providing full support to 3 joints thoracic spine, 5 joints lumbar spine and 1 joint sacrum spine

## OMNI-DIRECTIONAL & DOUBLE-WINGS SUPPORT CHIPS

Total 20pcs omni-directional & double-wings support chips can provide soft support to back muscle groups to protect them

## SMART APP OPTIONAL

Pofit is the world-first chair with smart app which can guide users how to adjust to correct positions and develop good sitting habit through 5 functions: **1)** Lumbar Protection Setting **2)** Healthy Sitting Posture Warning **3)** Sitting Posture Evaluation **4)** Sedentariness Warning **5)** Sitting Posture Statistics

## LIVEMOTION LUMBAR AUTO-TRACKING SYSTEM

LIVEMOTION lumbar is the only solution for no support on lumbar when reclining. Pofit LIVEMOTION lumbar can deliver superior comfort and full support to users' lumbar and sacrum area all the time in any sitting position

## 3D ARMREST

Height, angle and depth adjustments to allow forearms to rest comfortably whilst taking the weight off your shoulders

## FRONT SEAT DEPTH ADJUSTMENT

Users can adjust seat depth to suit individual thighs length without changing sitting position to make thighs get full support

## SINGLE LEVER CONTROL

Ingeniously ergonomic single lever control can operate the seat height and back tilt & 4 positions tilt locking easily

## AUTO-TENSION & DUAL RECLINE MODES ADJUSTMENT

Weight activated mechanism can auto-adjust back-tilt tension according to users' body weight. Dual recline modes can change natural and relaxed tilt tension or more powerful tilt tension

# POFIT FUNCTIONS TO ADJUST

## INTELLIGENT SEAT CUSHION

- 1 Single Lever Control**  
Seat Height & Back Tilt with 4 locking positions
- 2 Dual Modes For Back Tilt Tension**  
'LOOSEN' mode for natural and relaxed support  
'TIGHTEN' mode for powerful support
- 3 Front Seat Depth Adjustment**  
Make seat depth adjustment more ergonomically without changing sitting position

## BIONIC SPINE ADJUSTMENT

**7 POSITIONS LEVEL**  
suitable for users 150 ~ 190cm

# POFIT INTELLIGENT TECHNOLOGY

Pofit is the world-first chair with smart app which can guide users how to adjust to correct positions and develop good sitting habit through 5 functions:

## LUMBAR PROTECTION SETTING

APP can guide users to adjust to the best position for lumbar support through large data analysis to help maintain user's health

## HEALTHY SITTING POSTURE WARNING

APP can detect any incorrect sitting posture and send a warning message to your phone. You can set the warning to alert you every 3,5 or 10 minutes

## SEDENTARINESS WARNING

APP can detect your daily activities status automatically and send a message to remind you to get up to move and relax when you sit for too long. You can set warning to alert you every 2, 3 or 4 hours

## SITTING POSTURE EVALUATION

How much time you sit correctly or wrongly every 3-8 hours? APP can analyze it and send an evaluation message to your phone. This function can help users to develop a good & healthy sitting habit

## SITTING POSTURE STATISTICS

This function can review the sitting posture status weekly or monthly. It records the total sitting time, correct sitting posture time, and 2 types of incorrect sitting postures time

# POFIT COLOR YOUR LIFE

Comfort are passionate about using mesh on our chairs due to their durability and ergonomic properties. In addition, we have selected a range of complementary leathers and fabrics to mix-and-match. Should you wish to upholster in an alternative material, we work with all the leading contract fabric suppliers and can advise of suitability – non stock items will increase lead times
